Texwipe TX1009 Alphawipe Clean Polyesters Wipers are made from 100% polyester in double-knit interlock pattern for superior strength. Low lint and cleanroom packaged.

Buy Texwipe TX1009s by the bag (150/bag), by the case (1500/case).

Now available in BULK-PACKED (TX1009B). The same clean wipers but economical to purchase as wipers have been blown into a bag instead of neatly stacked.

This is our number #1 seller because CCR Webstore has the lowest price!

Please check our website for current pricing on these and other specialized cleaning products.
